

CMH SUMMER ADVENTURES PHOTOGRAPHY WORKSHOP

Photography Workshop

Kahli April will be hosting this year's photography workshop between July 18-21, 2019 at the CMH Caribooos.

Arrival at the Lodge

We include a coach transfer to the lodge, picking guests up from Banff, Lake Louise & Jasper.

Depart Banff (Banff Park Lodge):	08:00 MT
Lake Louise (Post Hotel & Spa):	09:00 MT
Jasper (Jasper Park Lodge):	12:00 MT
CMH Helipad (Valemount, BC):	14:15 MT

After settling into your room, you will get a quick lodge orientation and if time allows you will be asked to get ready to head out for the afternoon!

What to Wear While Hiking

At breakfast the guides will let you know what to expect for weather during the day so you can pack the appropriate layers for any changing conditions.

Daily Schedule

Times for breakfast, lunch and dinner will be announced by the lodge staff.

- Optional morning warm up class, followed by a delicious breakfast
- After breakfast, make sure to pack your lunch for the day from the selection of sandwiches, beverages, fruit, cookies and other goodies set out for you!
- Be ready at the appropriate time. Make sure you grab all your gear, including your photography equipment that you will need for the day.
- Venture to remote viewpoints via helicopter each day, as Kahli covers topics such as composition, mastering your settings, long exposure, focus stacking and much more.

Hiking Equipment

CMH provides all guests with a pack, hiking poles, rain pants & jackets, and hiking boots, however you are also welcome to bring your own!

Photography Equipment

You will also need to pack your photography equipment that you will require for the day. Our recommended packing list is:

- DSLR or Mirrorless Camera
- Lightweight Tripod
- Headlamp
- Battery charger & spare batteries
- Memory cards
- Optional: Laptop for editing, filters, camera manual

Apres Hike

After a memorable day of hiking and photography, fly back to the lodge where you will have time to relax in the spa area, get a massage or enjoy a drink and tea goodie by the bar before dinner.

Departure from the Lodge

On the morning of your departure, you'll pack your bags and bring them to the lobby before breakfast. Shortly after breakfast you'll prepare for your last helicopter ride down to the helipad.

Your ground transportation retraces the journey through Jasper and Banff National Parks. We stop in Jasper, Lake Louise & Banff, before arriving at our final destination, the Calgary International Airport.

CMH SUMMER ADVENTURES PHOTOGRAPHY WORKSHOP

FAQS

How much does it cost to participate in the workshop?

The cost is \$3345 CAD per person + taxes, based on double occupancy. Single rooms are available at an additional and dependent on availability at the time of booking.

What makes the photography workshop so special?

You will be part of a small group of 10 photographers who will stay at the remote Cariboos lodge, and fly to stunning locations each day to photograph some of the most incredible scenery in the world. You'll have the services of professional photographer Kahli April on-hand as she provides you with instruction and tips throughout the trip.

What does a typical day look like?

On arrival at the lodge, if time allows, we'll provide any hiking gear (Rain/wind jacket, rain/wind pants, hiking boots, backpack & poles) you require and head out for a few hours in the afternoon. Over the next two days, you'll fly to a few locations each day where Kahli will guide you through your photography and help everyone individually. Once you return to the lodge, you'll have further instruction and discussion. You can expect to be in the mountains between 9am - 4pm each day.

What will I learn on this workshop?

During this workshop you will learn how to take more impressive images, beyond the typical tourist snapshot and take home images you'll be proud of. Kahli will cover topics such as composition, mastering your settings, long exposure, focus stacking, processing images use of filters & much more! There will be additional exciting night sky component, weather dependent.

How much photography experience do I need?

Open to all levels of experience. This workshop will cater for beginners through to advanced.

What photography equipment will I need for this workshop?

- DSLR or mirrorless camera which allows settings to be manually adjusted and ideally be familiar with how to do so.
- Lightweight tripod
- Headlamp
- Battery Charger and spare batteries
- Memory Cards

Optional:

- Laptop for editing
- Filters
- Camera manual

What happens if it rains?

Rain? No problem! We can do lots indoors such as, image critiques and editing workshops.

How do I book myself on this workshop?

Call our team on 1-800-661-0252 or contact us using sales@cmhheli.com to book a space on the workshop today!
